Entrance for set-up / dismantling.

We do not issue badges for the set-up and dismantling days.

Exhibitor entrance:

Exhibition hall 1 + 2 + 3 + 4

Exhibitors with valid exhibitor badges will be able to enter the exhibition hall on the first show day (Thursday) up from 8:30am and during the following show days one hour before opening at 10am. The exhibition hall will be closed at all days one hour after show end at 7pm. That is, because within the exhibition halls we have open stands and even if we're not responsible for such stands, we would close the hall for all attendees at the same time for safety reasons.

Atrium 3 and 4

Exhibitors with valid exhibitor badges will be able to enter the Atrium at any time as they're the key-owner of their own room. However, that is NOT the case for any visitors or guests. They will be NOT allowed to get in, before the show starts (no meetings please!)
