

KOMPAKTE INFORMATIONEN AUS DER HIGH END BRANCHE. DIREKT VON DER HIGH END SOCIETY SERVICE GMBH

PERSONELL EXTENSION AT THE HES

Mr. Stefan Dreischärf (51) was appointed on 1st of January 2016 as Project Manager at the HIGH END SOCIETY SERVICE GmbH. As part of his work, Mr Dreischärf provided particular support in all matters to the company Managing Director, Mr Branko Glisovic. In addition to this, it is the desire of the of the HIGH END SOCIETY, that Mr. Stefan Dreischärf should become the successor to Mr Glisovic as company Managing Director after Branko Glisovic leaves the company on retirement grounds up from next year on 1st of January 2017.

Mr. Dreischärf was most recently employed in a position of responsibility at the German loudspeaker manufacturer Audio Physic GmbH, and took care on behalf of the company of both all sales aspects of the German market and of the company's international customers worldwide. Mr. Dreischärf is an acknowledged expert in all facets of the audio sector of which he himself has been part for many decades in various positions and has therefore gained knowledge of the industry, both from the trade viewpoint and from that of a top-level importer or manufacturer. These were among the fundamental conditions for the filling of the vacant position.

HIGH END SWISS 2016

The closing date to apply at the national Swiss show was scheduled on August 1st. Up from now, we're going to confirm the attendance to all companies and as far they have completed their form with all catalogue entries, we will issue the list of exhibitors and their brands on our web site. That will be visible by end of August.

The HIGH END SWISS 2016 will be held for the 8th time from October 15th to 16th as always at the Moevenpick hotel in Zurich Regensdorf. The Moevenpick hotel with their convention center is the ideal stage for presentations of first class products in such beautiful and useful ambience. The centrally located hotel within Switzerland offers all options for our exhibitors. In numerous conference- and hotel rooms, perfect audio presentations take place. Visitors will have the chance to see and hear the latest developments in rooms which are sized like their own living room. We're looking forward to welcome all exhibitors and visitors in Zurich. More general information can be found [>> here](#). We're looking forward to welcome all exhibitors and visitors in October 2016.
