ADMISSION FOR EXHIBITORS:

Halls 1 to 4

Exhibitors with a valid exhibitor pass can access the exhibition halls from 8:30am on the first day of the exhibition (Thursday) and one hour before the start of the exhibition on the subsequent days of the event. The halls will be closed one hour after the end of the exhibition. This rule is designed to help all parties concerned based on the fact that unlocked stands are located in the halls and although we assume no legal responsibility for these stands, we do have the overall responsibility for opening and locking up the halls as a whole.

Atriums 3+4

Exhibitors in the atriums with a valid exhibition pass can access their own rooms at any time because they are responsible for the keys to their own rooms. This does NOT apply to visitors or guests who are only permitted to access the venue after the exhibition has started each day (please do not arrange any meetings before the start of the exhibition!).
